

The Jesters Comedy Club

Cookie Policy

Last updated: March 2026

This Cookie Policy explains what cookies are, how The Jesters Comedy Club uses them on our website, and how you can control your preferences.

Our website is built on the Wix platform and uses Usercentrics as our Consent Management Platform (CMP) to manage your cookie preferences in compliance with UK PECR and UK GDPR. This policy should be read alongside our Privacy Policy.

1. What Are Cookies?

Cookies are small text files placed on your device when you visit a website. They help the site remember your preferences, keep you logged in, and collect data about how you use the site.

Cookies can be:

- Session cookies – deleted automatically when you close your browser.
 - Persistent cookies – remain on your device for a set period or until deleted.
 - First-party cookies – set directly by our website (wix.com platform or Usercentrics CMP).
 - Third-party cookies – set by external services we use, such as Google Analytics or Facebook.
-

2. How We Manage Your Consent (Usercentrics)

We use Usercentrics, a Consent Management Platform (CMP), to manage cookie consent on our website. Usercentrics is integrated directly into our Wix site and is responsible for:

- Displaying the cookie consent banner when you first visit our site
- Recording your consent choices and storing them securely
- Blocking non-essential cookies and scripts until you have given consent
- Allowing you to update or withdraw your consent at any time

Usercentrics manages cookies by controlling the data processing services on our site. Rather than managing cookies individually, it blocks or allows entire services (such as Google Analytics or Facebook Pixel) based on your preferences. This means that when you decline a service, all cookies set by that service are also blocked.

Usercentrics itself sets a small number of strictly necessary cookies to store and remember your consent preferences. These are listed in Section 3.1 below.

3. Types of Cookies We Use
